

## Admissions Checklist and Timeline

We strive to make the admissions process both informative and orderly. Simply contact the Veritas Admissions Office at (804) 272-9517 to schedule a visit to our campus, receive answers to your questions, and acquire an enrollment application packet or information regarding application for financial assistance. You can also ask to be connected to a Veritas Parent Ambassador, who can provide a "parent's perspective" on Veritas.

If your child is a rising Kindergartner or First grade student, they must be 5 (K) or 6 (1<sup>st</sup>) by July 1 to enroll at Veritas due to the academic nature of our program.

Following receipt of the application, a family interview and student assessment will be scheduled with you and your child(ren). After these meetings, a letter regarding acceptance will be sent to you.
